

Practices for Lesson 8: Assigning Unique Identifiers

Chapter 8

Practice 8-1: Identify Unique Identifiers

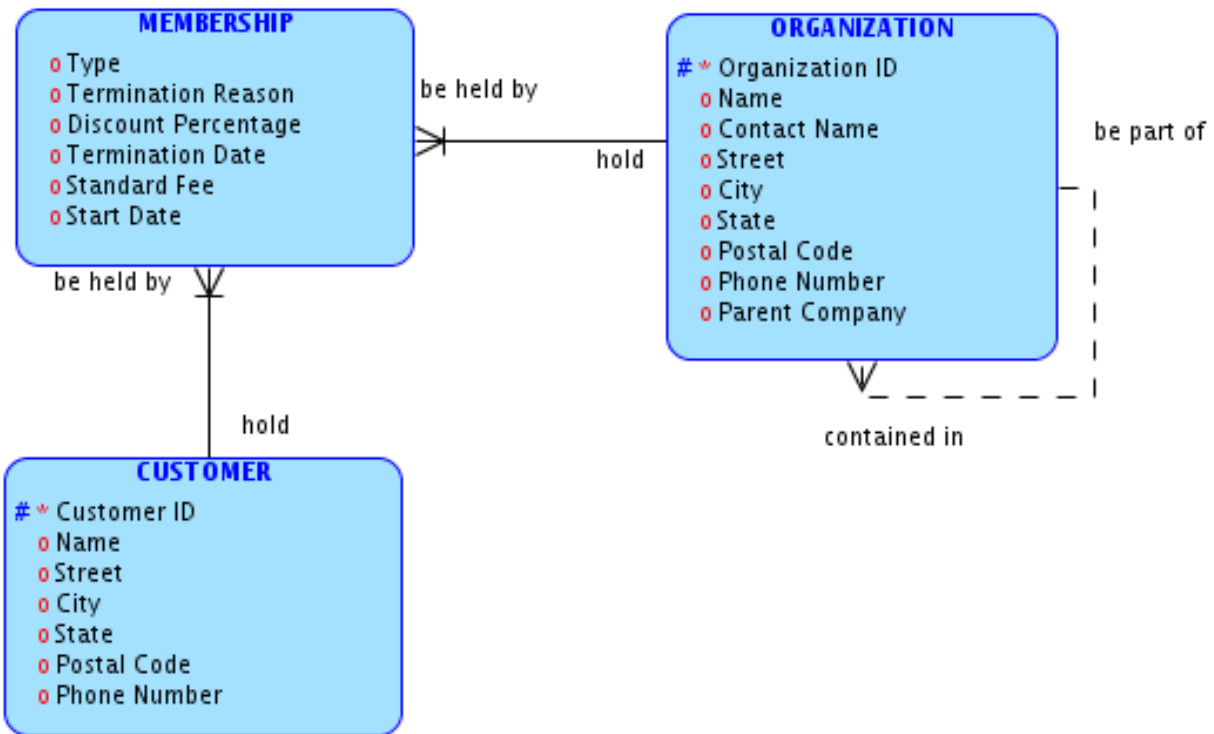

Task

In this practice, you identify the unique identifiers that you created in the Online Movie Rental Membership practice (Practice 6-1).

Solution 8-1: Identify Unique Identifiers

One possible solution to this practice is:

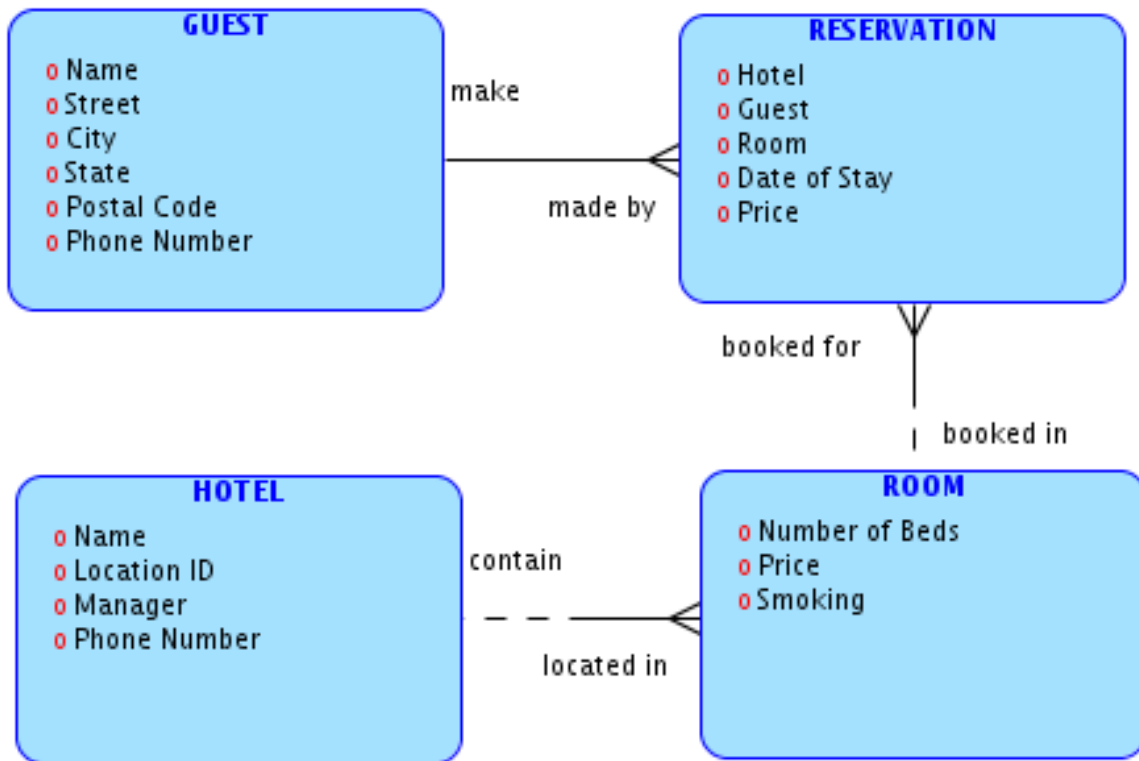

Note that the unique identifier for the **MEMBERSHIP** entity is the composite of the unique identifiers for both **CUSTOMER** and **ORGANIZATION**.

Practice 8-2: Identify Unique Identifiers

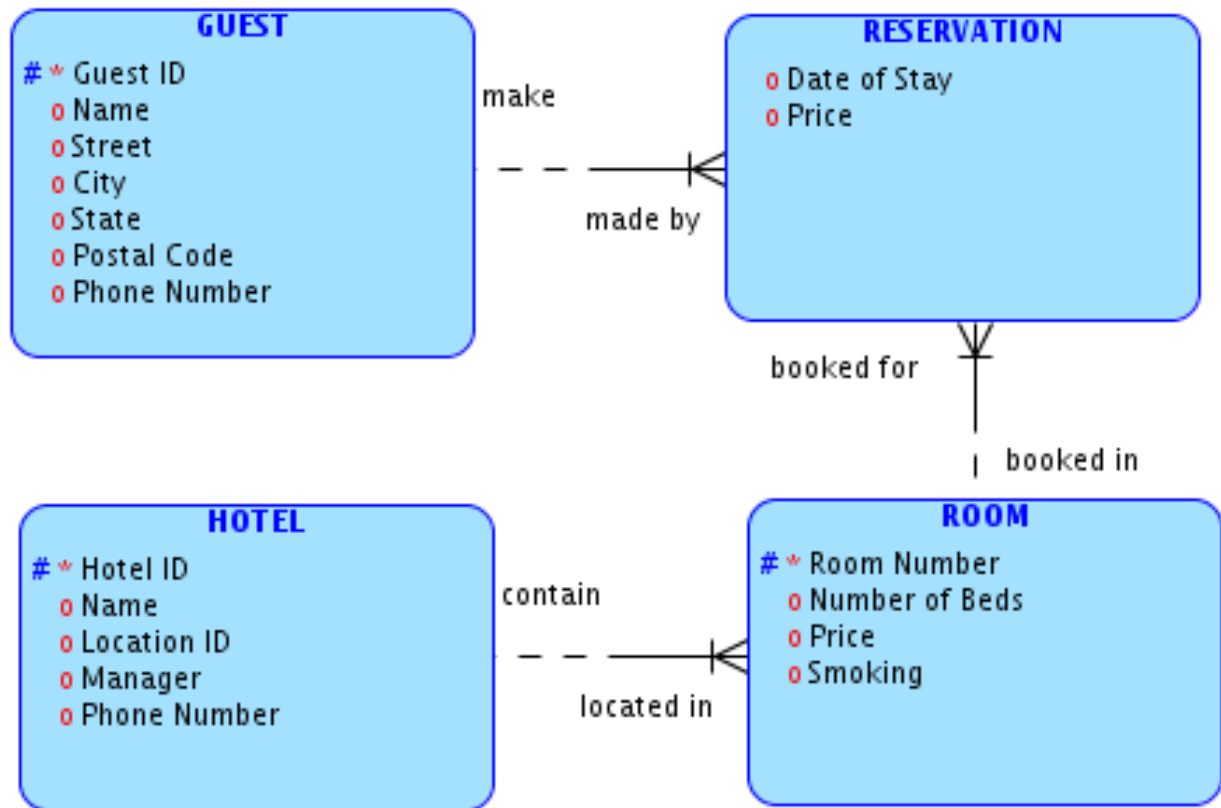

Tasks

In this practice, you identify unique identifiers for the ERD that you created in Practice 7-2.

Solution 8-2: Identify Unique Identifiers

One possible solution to this practice is:

Note: The unique identifier for the **RESERVATION** entity is a composite of the unique identifiers of the **GUEST**, **HOTEL**, and **ROOM** entities.
